

Operation Engagement

Solve the mystery of student engagement by creating authentic and motivating learning experiences in your classroom.

Teacher 2 Teacher Conference
UNC Charlotte, Center City
March 12, 2019

Presenters

Kristen Gray, UNC Charlotte, NC NTSP Instructional Coach

Kristen.gray@uncc.edu

Tierney Fairchild, UNC Charlotte, NC NTSP Instructional Coach

tfairchi@uncc.edu

Melissa Sykes, UNC Charlotte, NC NTSP Instructional Coach

msykes@uncc.edu

Session Outcomes

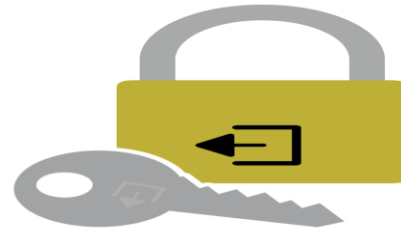

- Explore resources and strategies for creating authentic and motivating learning experiences for students.
- Explore problem-solving and critical thinking skills.
- Experience collaboration and teamwork.
- Experience a growth mindset.
- Gain access to content knowledge aligned activities that include simulations, scenarios, and escape rooms.

Scenario

It is observation day and administration will be in your classroom soon. Your students are unmotivated and you need to do something fast! Work with your group to crack the code for strategies to engage your students.

Mission

Mission

Real World Scenario

Putting it all together!

Use the terms you retrieved from your boxes and collaborate with the group to create a narrative that tells the benefits of scenario based learning.
